

Tracking Water/Water Imagery and Geography in *Bless Me, Ultima*  
English 10 Honors

1. Begin at beginning of novel and find all scenes that are associated in any way with water (all forms of water) and specific references to geography/topography. You will be reviewing Chapters 1-17.

2. Make note of the scenes (including page number)

3. Once you're done, discuss the significance of each scene and its possible symbolism; you may use bullets for this.

**Note:** Don't forget to use the two chapters we read regarding the symbolism of water and geography
